I have a large one bedroom flat in west blechley and is council rent paid , it is on the 3rd floor with a balcony and has great views of the west . there are park areas at base level with a small shopping complex near by , all schools and a play group within a 10 minute walk . pretty quiet area with friendly people. it is also on the bus line and a short ride to the main line to London train station . (which is also walk-able) I am looking for a 2 bed ground floor flat/house/bungalow in the Buckinghamshire or Bedfordshire area but would consider other areas, council property or private . If you would like to no more information please email your questions to click to contact this is not a scam , my daughter has 2 small children and really needs to move to a lower floor or ground floor accommodation .and within the council house sector or landlord that accepts housing benefit. ;
