Very large 2bed ground floor flat in lovely quiet Are of Horsham. Very small block with mostly retired neighbours.

We have been here almost 9years now and would stay but are hoping to expand our family and will need more space.

Both bedrooms are doubles with built in wardrobes, new kitchen, boiler, bathroom and windows recently fitted. Brand new carpet in living room and bedroom 1. Masses of storage space throughout the flat. Close to town, local shop, lovely large garden which backs onto a little river and golf course. Nature reserve just at the end of the road. Although I am the only person who uses the garden we don't have our own back door so can't say it's exclusive. Several other neighbours have dogs and walk them on the large green just to the side of the building.

Looking for a swap for 2-3 bed house in any area of Horsham or Crawley.

We just want our forever home, as much as we love this flat which we have spent a lot of time and money decorating over the years it just feels like we have outgrown it and we are ready to move into our family home.

Our landlord is saxon weald and comes with assured tenancy and no age restrictions. Pets allowed. ;
