

Intel core I7-6700k (250 GBP)

Location

Yorkshire and the Humber, South Yorkshire

<https://www.freeadsz.co.uk/x-492324-z>

Description Product Description:

Take control with the 6th Generation Intel Core processors codenamed "Skylake-S". The i7 6700K is the flagship processor of the Skylake-S line-up that features exceptional performance that is increased by upto 22% and offers 6x faster storage bandwidth for quicker media access, all this means for an all-round more responsive PC. The 'K' prefix shows that this CPU is Unlocked and has overclocking enabled this is great news for extreme gamers and enthusiasts. The Intel Core i7 6700K boasts a 4.0 GHz base frequency and 4.2 GHz turbo frequency, the processor is also built on a 14 nm process, with a 95 W maximum TDP. The chip is a Quad-Core design with 8 threads. Integrated into the processor is Intel HD Graphics 530 which delivers mainstream-level graphics with discrete-level performance and has full support for DirectX 12 API. Intel's 6700K is fully unlocked allowing you to tune performance and obtain higher frequencies when used with Intel 100 series chipsets. Previous generation Intel processors such as the Intel Core i7-4790K processor used DDR3 memory, typically running at 1600 or 2133MHz. The Core i7 6700K have an enhanced memory controller that supports DDR4 memory, giving you a very healthy performance boost over DDR3. Intel Core i7 is a brand name applies to several families of desktop and laptops, The Core i7 brand targets the business and high-end consumer markets for both desktop and laptop computers, and is distinguished from the entry-level Core i3 and the more mainstream Core i5. Box Contains:

BX80662I76700K Processor delivery is £8.99 due to value of item, check out other PC parts we list, may be able to provide discount if bought several items email at click to contact for payment information and also any queries and postage will be DPD next day and will be tracked, upon purchase a unique ID will be provided and DPD will arrange a suitable time slot for your delivery.
