Hi there! My name is Louis Sterling, also known as Auxx - an electronic musician supported by BBC 6 Music, BBC Introducing and signed to URBNET Records (CA). I shall be hosting affordable, professional and inspiring music production courses for all ages!
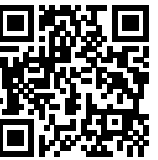

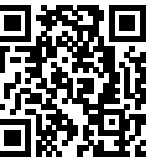

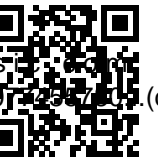

Throughout the course you will pick up the basic and advanced skills to create high quality electronic music using Ableton Live 9. You will also learn how to arrange your own unique live electronic performance or DJ set.

Throughout the course, you will learn :

- Composition, beat-making and Sound Design
- Mixing
- Mastering
- Live Performance

Throughout the course, you will prepare your first professional release for iTunes, Apple Music, Spotify and Amazon. You will also be run through the basics of the music industry, with the chance to review record label contracts.

£20 per session (1 hour 30 mins)
From ages 11+
