Reason of sale is I am purchasing a new guitar and need the money. I have hardly used the guitar whilst having it really and only gigged with it a few times. Its in great condition, no scratches whatsoever and comes with a hard case and strap with fitted strap locks. I will also stick a new pack of Ernie Ball strings on. Case has a few minor scuffs but hardly noticeable. I bought the guitar for £480 and £80 for the case + £15 for strap locks and £10 for strap. I'm after £380 for the lot which I think is a fair deal. Message me if.
