Hello I'm a part time web developer, I'm here to offer you an affordable custom build website to help promote your business. As a 1 man team working in Sheffield my aim is to help local business promote themselves on the internet, currently most people turn to the internet to find out information about business. I pride myself on offering the best quality website that I can and focus on your needs as a business and listening to what you really want to get out of a website, whilst making sure your website is accessible to as many people as possible. Starting from £49 I can put together a website that will suit your needs! I offer – Custom websites optimised for phone, tablet & desktop, Google Business, Search Engine Optimisation, Facebook + Twitter profiles, 1 free year of web hosting, domain hosting and a business email address, Prices: 1 page - £49 3 pages - £149 5 pages - £199 need more than 5 pages? don't worry just tell me your needs and we'll work out a price! If you have any questions, want some examples of my work or need a quote, please don't hesitate to get in!
