This is a beautiful antique French Table for writing or small kitchen table. In Cherry Wood c.1897. It has a wonderful patina to the wooden surface and tapered legs and you can see the original dowling on the top of the table and legs. Very unusual and excellent aged condition, and becoming harder to find. It has a large deep drawer for documents or paperwork but we have also used it a small table in a lounge room for a Lamp and a selection of photo frames, either way it is a lovely piece and is very useful. Height 28 inches to table top

Height to draw level 24 inches

Length of table 44inches

Depth 27
