Brand new fridge freezer. No longer needed - we received it as insurance replacement - but took so long to be delivered that we were forced to buy a different one elsewhere. This is still in its delivery packaging and is ready to go immediately. We have all of the relevant paperwork, so the warranty is intact. The retail price is over £600 in some stores, so this does represent a real bargain! 184.5cm x 59.5cm x 64.7cm, Gross - 338L / 11.94Cu
