Honda CBR600RR 04. This bike has never wanted for anything and has never been ridden in the rain. Washed and waxed after every ride. 40.000 miles on the clocks (will go up if a new dry day comes along), adjustable leavers, power tech carbon exhaust, Road Pilot 4s, new genuine Honda cam chain and cam chain tensioner and valves spec done. Never missed a beat and rides perfectly. Viewing and test ride more then welcome but full cash in my hand. You crash it you've bought it. Viewing is highly recommended. Other bikers always comment on how well looked after she is.
1 key and logbook and will come with a years
