Get clarity in your life, removing blocks and fears. A session will help you take your power back and redefine your life in a more positive and joyful way. Skype sessions from 30 minutes to 90 minutes. " Sophie is the real deal.

Having been spoilt by working with a very gifted Clairvoyant for many years, until sadly she stopped giving reading due to ill health, I despaired of finding anyone else with a genuine gift and have been disappointed by readings from individuals endorsed by very reputable organisations. Now I've found Sophie, I'm truly relieved and excited to be connected to an individual with such a pure gift and connection to source. Sophie is wonderfully kind, has a great sense of humour and is genuinely caring of you and sensitive to your needs. She utilises her gifts with compassion and professionalism. Our session helped enormously in gaining clarity and confirmation on a number of issues. Don't think about it, just book! It's like having a birds eye view of your life !" www.sophie.k
