Ciao! Want to understand and fluently speak the beautiful language of the "Belpaese", while discovering its wonderful culture? With me you will find it both easy and fun!

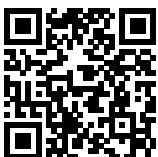

My name is Emanuele and I'm a native Italian speaker. I hold a Master's Degree from La Sapienza University (Rome) in Communication and Journalism and am widely experienced in tutoring & teaching Italian to foreigners.

I teach at all levels, from A1 to C2, in private one-to-one lessons or in small groups. My method takes into account all aspects of the language and is tailored to fit each student's needs.

The price is £13/h, while 1h30m is £17. The lessons are via Skype, in Italian and English.
 Note: one hour means 60 minutes with me!

So, whether you're starting from scratch or just need to brush up your Italian, don't hesitate to get in touch to book a trial lesson or to simply ask for more info.

A!
