Level 3 Award in Paediatric First Aid (QCF): This first aid course qualification provides theoretical and practical training in first aid techniques that are specific to infants aged 0 to 1, and children aged from 1 year old to the onset of puberty. Learners will become familiar with the role of the paediatric first aider and be able to assess and react appropriately to an emergency situation such as a child or an infant who:

is unresponsive

has an airway obstruction

has a condition effecting the eyes, ears or nose

has a chronic medical condition or sudden illness

is experiencing the effects of extreme heat and/or cold

has been poisoned

has been bitten or scratched

has sustained an electrical injury

has fallen from a height

is wounded or bleeding

has a fracture or dislocation

has a head neck or back injury

The Statutory Framework for the Early Years Foundation Stage is a document published by The Department for Children, Schools and Families and applies to Early Years children within England, Wales and Northern Ireland. The Statutory Framework states that at least one person who has a current
