Why Buy Me?

Lighter than the baby

Every gram counts when travelling with babies and the paraphernalia. Feather light 3.2kgs traveller is not just lighter than all other globally certified travel cots, it's also lighter than the baby!

Fits tight spaces

Every centimetre counts too! Although a full size cot, when packed the traveller is so compact it fits in tight spaces like a full car trunk or airline luggage locker.

Simple rapid assembly

1, 2, 3 done! Traveller sets up in moments, perfect for those late night arrivals.

Zip away side

Excellent access that eases baby's path to sleep (and mum & dad's back!). Traveller adapts from sleep to play, perfect for playtime fun!
