I am a qualified professional interior designer based in Kent. Whatever your budget be it small or more generous, I will spend time discussing your requirements, listening to any ideas you may have, taking into account your likes and dislikes and how you wish to utilise the space. For maximum flexibility you may choose from a range of services, including practical furniture layout solutions for a single room, objective and creative advice on refurbishing or reviving an existing room, or help and guidance with a colour scheme. Alternatively you may require a full interior design service for a single room or the whole property. By offering this personal service, your completed project will be totally unique whilst reflecting your own personality and style. Contact me today to discuss your.
