The PADI Open Water Course has three parts: theory, confined (pool) sessions and open water sessions. You can complete the first two here in the UK leaving you valuable time to enjoy your holiday abroad. You can complete the whole of the open water course with us though! We schedule in sessions around you, although we need a minimum of 2 people to run a course. You can, however, join our monthly pool session to train. The referral course costs £299 (discounts available for two or more people) and the additional two days needed for open water is a further £200. Get in touch for more details on click to contact or find Ocean Diver on Facebook or search for our website. This course is available for aged 10 or older. For younger divers we have the SEAL Team programme. ;
