Hello, I am desperately looking for a one bedroom flat to rent for me and my 18 month old daughter. I am 24 and a single mum and will have to pay the rent through benefits. I have privately rented before but since splitting up with my partner and having my daughter I'm now in this situation. Please contact me if you have a property or know of anybody or anywhere that will accept rent through dss (I think it's called) as we really need somewhere. Thank you, Hannah.;
