Hi. I am an independent individual who has access to a LARGE client base. I work with a number of Reputable Estate Agents who let me know what clients they have that are looking in the areas that I have properties in that need Tenants. All clients that I have have been properly vetted and all checks are carried out to ensure they are able to afford the property that they will be seeing. I have working class professionals that I can rent your property out to. I check to ensure I have on file 3 months Bank Statements, 3 months payslips to ensure that they are earning what they declare to us and also are in a position to move forward. Tenants who are self employed are required to provide me with an Accountants letter so information can be made available upon request. I also know of Estate Agents who can do Guaranteed Rent Schemes if required. All this service is offered to you, the Landlord at NO COST. FREE SERVICE. I have an EXTREMELY quick turnaround time for Renting out the property. I can have someone come out and inspect your property for you, take pictures if needed.
