We specialise in Investment and Pension Reviews The service provided is by fully authorised Independent Financial Advisers who are regulated in the UK by the Financial Conduct Authority. ISA's - Most cash ISA's typically return 0.8-1.3% maximum which is a very poor return on your hard earned savings, the only one making money here is the bank! Most people are unaware that much greater performing ISA's are available with all the same flexibility and benefits that you currently receive and more that are offering between 6-8% annual targeted returns. Remaining where you are is costing you money! The details: Fully Managed Funds - FCA authorised and regulated firm Award winning investment platform Client 24hr Access Ability to withdraw your funds at any time/no penalty fees Zero Administration Tax Free Wrapper Protected Investment - UK Compensation Scheme If you have an existing ISA or Cash you are looking to invest in an ISA, call me. If you have a pension and you haven't had independent financial advice on it for years, you really need to have this checked as two thirds of pension funds in the UK are diminishing year year on year, we can look into this for you to see how it's performing and what alternatives are available which will better serve your retirement strategy. For a FREE consultation please give me a call, I will be happy to help.
