Citroen relay 2.8 td 3.5t This is my started camper van project for motorcross,karting,race van exc I'm reluctant to sell but as I have no where to keep it now it's got to go It has been dry stored for the last 3 years The rear has been dropped lower behind the axels it has been cut through to the cab and above the cab The engine is fitted But only put in for moving proposes the engine mounts fitted but nothing else. Will need everything else fitting but just not got the time to do it I believe the all the parts to finish are in the back. And also a few other things I have for it. Fridge water heater exc nothing tested tho Bad bits: The cab has a few place of rust underneath and will need welding I can't find the log book but I did have it so it might turn up before the auction ends otherwise it will have to be applied for This is a sold as seen - viewing is welcome Any questions or arrange a viewing please contact me Cash on collection only;
