Enjoy fun, portable computing with the Hipstreet Phantom 2 10.1" Tablet.

Powerful performance

The Phantom 2 uses an ARMv7 1.3 GHz quad-core processor - run a variety of your favourite apps smoothly. With 1 GB of RAM, you can quickly switch between apps and screens.

Navigation is easy thanks to the Android Lollipop operating system which places everything you need at your fingertips – great for both new and experience tablet users. Watch videos and enjoy pictures on its 10.1" 800 x 1280 IPS display.

Connectivity

You can stay connected with the world using the Phantom 2. With built-in WiFi and Bluetooth 4.0, you can easily browse the internet and connect with other smart devices.

The price offers you access to Google Play, where you can explore over one million apps. You can also
 able to purchase a wide range of music, movies, eBooks and magazines, so there will always be
 something to keep you entertained.

With a battery life of up to 10 hours and 8 GB of available storage space, the twelve Phantom 2018ers
