

# Stainless steel Electrolux 100cm Range cooker (450 GBP)

Location **North, Lancashire**  
<https://www.freeadsz.co.uk/x-493722-z>

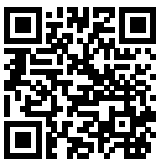

Stainless steel Electrolux dual fuel 100cm range cooker. This has been working on bottled gas and can be modified to run on mains gas. We took this out as we had a new kitchen fitted. It is in perfect working order and very clean.  
 It has a storage space at the bottom of the cooker below the ovens as the flap opens out and there is lots of room for baking trays...etc.

The hob has 5 gas burners and 1 of the burners is a wok burner. The hob also has 3 heavy duty cast iron pan supports. Turnspit included for roasting.

Comes with gas connection pipe and instruction manual.  
 Viewing welcome! Also can help with find delivery if needed £450 ono
