Moving out of your old place and moving in to a new one can be a pain. You already have enough to

worry about without make sure both places are clean. If you are moving into a house that was previously owned by someone else, you may want to make sure all the carpets are vacuumed and windows washed before you start putting in all your nice furniture.

Dorking End of Tenancy Cleaning Service is committed to providing quality Move Out/In House Cleaning for your Office, Apartment or Or House. We deliver the highest levels of customer satisfaction. To deliver on this commitment of our Move Out/In house Cleaning Service we bring together the best people, the most effective methods and the highest quality supplies.

We provide our own cleaning supplies and equipment. All the cloths and equipment we use are fresh and clean when we start to work in your home. This is for your safety and ours.

Our cleaning crew will start at one end of the property and clean until they get every inch of the property.

They will clean the bathrooms, refrigerator, oven, stove and mop your floor and vacuum your carpet.
