This item is in very good condition. I am assured it is all in working order and there is a very genuine, sad reason for its sale. It has extras which include (1) the Roland DP2 Damper/Sustain Pedal, (2) the Roland RH-5 Monitor headphones and (3) a heavy duty professional stand. These 3 items alone cost over £50. Also included is its power lead. The instruction manual is an on-line one which the buyer will be emailed on purchase or shortly afterwards. This is a heavy, professional item and buyer will need to.
