

Kebony - Best Wood for Terrace (500 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-494781-z>

Are you looking for a quality material terrace? The Choose beautiful, sustainably sourced Kebony wood. The Kebony technology modifies wood by forming stable, locked-in furan polymers in the wood cell walls. Kebony has all the durability of tropical hardwood, yet is sustainably sourced - and you don't have to compromise on looks either! Pay us a visit at <http://kebony.com/en/content/technology> for more.
