Here for sale is my beloved m109r reason for sale is I am losing my rented garage where it's stored. This bike is in excellent condition, well loved, kept dry and garaged always. This bike has had the paint detailed by myself and I have had fitted new Dunlop elite 3 tyres (very good on this bike) fitted at the cost of £400. It has some upgrades such as led rear lights, grips and levers. I have used this machine on three road trips to the south of France and it's an excellent tourer and cruiser with loads of power and torque. All mots available with no advisorys. Viewing welcome cash on collection ;
