SPOKEN WORD & STUDIO ADR We record studio ADR as well as mobile ADR so we can come to you to record ADR! We can record voice narration which is mixed in the dubbing theatre on the mezzanine floor. The largest room is able to accommodate up to twelve people with microphones positioned for voice recording. AUDIO RECORDING Our experience, creativity and flexibility to extends to audio in both stereo and 5.1. We have three acoustic spaces including an ADR room and a large Foley room with 5 metre high ceilings. SOUND EDITING AND TRACKLAY Sound editing is what is required for a great sound track to be created. We can check the quality of location sound and then use our creativity and experience to mix the raw materials into an outstanding soundtrack. Mixing and mastering takes place in our mezzanine floor control room and dubbing theatre. SOURCE CONNECT We use Source Connect voice recording, allowing your artist and director to be in different cities (or even continents) and broadcast quality sound to be sent via the internet and recorded into our pro tools HD 12 system FOLEY AND SPOT EFFECTS We have a large Foley space and can be equipped with everything you might need to add additional sounds, from doors opening to giant tubes crashing around! We have access to experienced Foley artists and mixers to provide an enhanced effects soundtrack. DELIVERY We are able to offer deliverables on any form from Dolby E AC-3 encoding to the latest AS11 delivery requirements stipulated by the DPP. We offer BluRay and DVD authoring as well as classic VHS. We can deliver traditional tape based transfers including Alchemist standards conversion We duplicate master CD's DVD or USB's. We can design the packaging for you or work with a brief for a in house design. AUDIO RESTORATION AND ENHANCEMENT Our studio offers professional digital restoration to restore any audio in any format to its highest fidelity. Our clients are UK wide and our restoration has been used by the
