We have grass livery available in Charing Heath, Near Ashford Kent, with a field shelter and automatic water feeders. There is plenty of hacking out locally and you can school adjacent fields. There is a mini cross country jump circuit around the fields too which can also be used. There is a riding arena locally that can be rented for both flat work and jumping; £10 per hour for use of the school and £15 for use of the jumps per hour. Transport would need to be arranged by you, however, if you do not have transport this can be arranged for a small fee subject to availability.

We are looking for a horse to share a field with our horse Archie and due to work commitments we need someone who would be happy to do the pooh picking whist you do your own and to help its Archie's rugs etc. there could also be the option to share Archie if you had a friend that wished to hack with you. The reduced rent reflects the help that we require so if you have a horse that needs a friend please do not hesitate to contact!
