Here at Mathshero we have made it our life goal to help students of all ages succeed at and enjoy Maths. Fully DBS checked, we work at all levels and abilities and even offer brush up classes for parents wishing to help their children with their homework. Specific Exam Preparation: non-verbal reasoning, C. E., 11 and 13+, GCSE, iGCSE, A-level and International Baccalaureate. Be it exam revision or building up your child's confidence, email us or text us to arrange a FREE OF CHARGE at home appointment to discuss your goals and see how Mathshero can help your son or daughter to achieve their full potential. Our consultation will also enable us to get a good idea of your child's ability and way of learning, so that if you decide to continue we can hit the ground running. Surrey's Mathshero tutor is Juan MB. He is a patient and experienced tutor, Qualified Maths Teacher (University of Sussex) and GCE Expert Examiner who's favourite number is currently.
