

A Grade show Discus fish (15 GBP)

Location **North, South Wirral**
<https://www.freeadsz.co.uk/x-496171-z>

Description: hi there

3 and 6 months old. only young , just starting to colour up. will be stunning

2.5 to 4" discus, body size, 2.5" to 4 " head to end of tale

these fish are home grown, and kept at home , so you can collect any time

fantastic show discus, this involves daily water changes and a very healthy diet, feeding 6 times a day, on home made beefheart mix, liver mix, Spirulina, blood worm.

there are about 10 different types

I believe making these fish the best you can get, but also very easy to care for as they are very healthy perfect fish , but just kept in basic tape water, I do not use any chemicals or gimmicks to look after my fish.
