London Garden Services can create a great outdoor space for you, using high quality materials, and project managing the process from initial site visit to project completion. Our professional team of trained gardeners over 10 years' experience can transform every open space into a welcoming environment. We can manage both hard and soft garden landscaping projects in London. Hardscaping refers to those jobs performed using heavy materials. This includes bricks, wooden boards, and more. For example, our decking and paving services are both hard landscaping. Softscaping revolves around shrubs, trees, soil, and so on. Take note - we offer you turfing, exterior planting, window box installation, and that's not all. Your desired garden design doesn't have to be a dream any longer. Make your vision a reality by hiring landscaping professionals from us in London.
