I have been making bobbin lace for the past 17 years. It's a beautiful craft and believe it or not, can be very relaxing. I offer one to one classes for beginners and can provide equipment if you haven't got yours. I started with pencils until my mum saw I was going to continue and only then bought me proper bobbins to work with. This was many years ago but I understand it's an investment and for the beginners I do have enough bobbins to get you started. I'm available during the week and weekends at a place convenient to you, which can even be a local cafe and I'm based in Eastbourne. I'm happy to travel however there will be extra charge to transport. I'm looking forward hearing from you. Mia x;
