

John Mills Multi-Chef (5 GBP)

Location **South East, East Sussex**

John Mills Multi-Chef As seen on T.V (for those with good memories) This does chopping and dicing etc but does it by hand so it saves on power and is portable for outdoor cooking. Camping, Picnics etc. It hasn't been used as its all in its original plastic bags and is all there. The box looks a little sun bleached so it might have been in a display window for some.
