

Recruiting Appliance Engineers and Boiler Service Engineers

Location

East of England, Hertfordshire

<https://www.freeadsz.co.uk/x-496355-z>

UK Service Maintenance Group are offering the opportunity to join our UK wide network of engineers for Household Appliance engineers and gas safe engineers for boiler servicing and repairs. We currently have availability throughout certain areas of the UK, all engineers must have public liability insurance, and for boiler servicing/repairs be gas safe registered. We would be willing to offer exclusivity for your postcode area, dependent on Brands/Appliances covered by you. If you are interested in this opportunity then please send any enquiries to click to contact or alternatively call us on 08007562782 080075627...(click to reveal full phone)
