If you've never had a photoshoot before, don't worry: i promise to make it a relaxing and enjoyable experience. I suggest bringing an iPhone or iPod with some of your favourite music which we'll plug in to the studio music system. After the shoot, i will sit you on a sofa with a cup of tea or coffee while we quickly prep your shots for viewing, then you can make your choice and have the finished photo files within 48 hours. great naughty gift idea for your!
