T-LINE Based on the Fiat Ducato 35, 130hp, manual as standard (engine upgrades including automatic are available). The T-Line 785 has a revised layout for 2016, offering twin longitudinal rear single beds. Storage is complimented by wardrobes under the beds and steps. Comfort is assured by an L-shaped dinette, a rear en-suite, toilet and separate shower area with rigid door and a practical kitchen with a 3-burner hob. This is the ideal model for a couple who like travelling with grandchildren. Electric dropdown bed above the L-shaped lounge comes as standard.
