Samsung Galaxy S6 64gb White Pearl Unlocked [Mint Condition] No scratches, no marks, no cracks. Purchased mid-December 2015. No items missing from the box. Comes with tempered glass screen protector and Ringke mobile phone cover, you are more than welcome to have this with it, even if it is for a temporary measure until you purchase your own. There is a crack on the Tempered Glass Screen protector but NOT on the screen itself. You are more than welcome to take this off before purchase but I am not going to take it off for the purposes of a photograph. Sensible questions.
