I bought this corner sofa bed from DFS at £1,998 but it does not fit into my living room. I now need a quick sale at £1700. It's totally brand new, never used and it's still wrapped in storage. The image on my advert is the exact sofa and colour and as you can see my price is almost £300 cheaper. Please, note FREE delivery in London only. For outside London there is a charge of £400 which the buyer has to pay. But the advantage of this is that you will get the sofa quicker than buying from DFS, which often takes up to 6-8 weeks or more for an extra &pound
