Hi

We at Ds Telemarketing Group help businesses with B2B or a B2C telesales campaign. We have home based telesales agents who work from home on both aspects. We offer Appointment Setting or Lead Generation to enhance your business customers.

We also offer a Recruitment Drive for your business where we will place job adverts on internet job boards, we do all the work for you so you select the right person for the position

If you want more information then please get in touch

Regards
