Maelgwn Pyrenean Mountain Dogs, announce the arrival of a litter of puppies, 4 boys & 2 girls, born on Christmas day,

25 - 12 - 2016.

The puppies will be ready to leave for their new homes, when they are at least 8 -10 weeks of age. This will be dependent on their individual state of maturity. Should you wish, please contact me for a further explanation of my policy regarding the minimum leaving age of my puppies.

These puppies, are from Irish/French/Welsh lines on their mothers side, and Finish bloodlines on their fathers side, although he is born in Poland. This is very important to bear in mind, and means that there are no close relatives in their breeding !!! I am the owner of both parents, whom can be seen during your visit. The puppies are Kennel Club registered, micro-chipped, wormed & vaccinated against parvovirus. The puppies also come with free five (5) weeks Kennel Club Insurance.

The puppies have been reared in my home, and are well socialised within the confines of the home, especially with my other family dogs. Le Grand Chien de Montagne, The Pyrenean Mountain Dog or Great Pyrenees, is known for its gentle-giant temperament and has the reputation of being good with children and other animals.

A large majestic dog, with a natural beauty that just takes your breath away, they are one of the best all-round breeds suitable, for both town and country, completely suited for life as a companion dog, protector of your property/livestock, despite its size the Pyrenean makes a great house pet!

So, If you have been dreaming for quite a while now of being owned by a Pyrenean, this is your chance, you can secure, reserve your puppy by placing a deposit, with the balance to be paid on the day of
