

Independent Merchant Services Offers Chip and Pin Machines

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-498940-z>

Independent Merchant Services offers the best advice and guidance on selection of chip and pin machines for credit card processing by merchants. Their range covers countertop PDQ chip and pin terminals, portable Bluetooth or Wi-Fi enabled terminals, contactless payment terminals and GPRS mobile PDQ equipments. Not tied to any vendor, the company assists merchants with selection of the finest equipment on the best terms. Their involvement helps merchants reduce processing cost and get a better all round deal.
