Volkswagen Lupo Instrument Cluster Repair (1998-2005)

£99

The VW Lupo dash failure is quite a common fault and on this type of odometer it is usually caused by internal components breaking down within the instrument cluster, we can repair this problem by replacing the damaged components with more reliable ones. We keep in a high stock of all the components for Volkswagen. The VW Lupo speedo repair can be done at a fraction of the cost of a new one.

The repair is carried out by fully qualified electronic engineers and your millage reading will stay intact as we retain the original data.
