Volkswagen Eos Instrument Cluster Repair (2006-2009)

£150

The VW Eos dash failure is quite a common fault and on this type of odometer it is usually caused by internal components breaking down within the instrument cluster, we can repair this problem by replacing the damaged components with more reliable ones.

The Renault Clio speedo repair is carried out by fully qualified technicians and your mileage and coding will stay intact so there is no need for mileage correction or reprogramming.
