only 2 and a half weeks old so only taking deposits at the moment only one boy left from a small litter of only four .will be brought up in a busy household with young and older children and are handled daily. They will come microchipped and have there kennel club paperwork also comes with four weeks free insurance . Mum and dad have great temperaments and are both blue and are of breed standard . They will be fed and wormed with in my opinion the best money can buy they will also come paper trained ;
