Custom built power assisted hybrid bike.
 Complete with charger and keys. The bike is very fast and has 3 levels of assistance power including safety brake - motor cut off with easy battery removal for charging. The bike is power assisted so requires pedal input for the motor to engage. Shimano 1 x 6 speed gearing
 V brake front and rear
 31.6mm bars
 Short stem with adjustable height
 Continental sport contact tyres
 Pannier rack with luggage strap The bike is very capable of high speed with minimal effort. The battery comes with 3 keys to lock in place. Charger is supplied. All components are brand new bar the frame and forks. They were bought second hand and have been custom adapted and re sprayed in enamel red paint with new decals.
 Really is a super bargain bike and only a fraction the price of a brand new electric bike. Would make a great commuter or shopping bike or a bike just for fun! Used only once for a setup and test ride. Buy a bargain! ;
