Quality Cavalier Puppies are now ready to leave for their new forever homes. Puppies have been reared in the house with me and are well socialised. Mum is a family pet. They have been weaned off mum now and are eating strong. Puppies have all been to the vets and received their first vaccination. They have also been wormed up to date and have been microchipped. I have a choice of 2 boys and 2 girls available, all blenheim colour. For anymore information please call or.
