A great 6 speed gearbox 2198cc 150bhp Ford Transit Campervan in a beautiful colour, described as silver in the V5, but really is a gold/khaki colour. Twin sliding doors, Central Locking. Front and rear parking sensors. Blue tooth. Pop-up roof with plenty of standing room inside. Solar panel on lift up roof. Huge LPG gas tank. It has four seatbelts with table. The passenger and drivers seats swivel to the table to view the TV (not supplied, but there is a bracket). Dark grey interior with brown interior cupboards. A great kitchen with a Waeco Fridge and icebox, a Smev hob with 2 ring gas hob, and sink. Mini oven. Drawers. Cupboards with plenty of storage. Black out curtains. Lovely.
