

A little bit about me:

I'm 21 years of age, before The Clean Queen I worked in a variety of different Customer Service based jobs.

I am extremely trustworthy and I am very passionate about what I do.

I decided to create "The Clean Queen" as I enjoy working hard and seeing instant results. I like the idea of being my own boss, as I can professionally manage my own time in order to create as much business as possible, whilst providing a great service.

## Why should you choose The Clean Queen?

- 1) I work extremely hard; I will leave your house sparkling, and smelling as fresh as daisies.
- 2) I only charge £10 per hour (Most other cleaners charge a minimum of £12 per hour!)
- 3) I'm extremely trust-worthy (In previous jobs I have supervised hotels/pubs at night on my own)
- 4) I often offer exclusive promotions/deals- for instance, this months deal is: Reccommend a friend, when they have used The Clean Queen 3 times, you will get one free two-hour clean!

Like us on Facebook and bring out new promotions, so subscribe to the Clean Queen e-newsletter (http://www.facebook.com/TheCleanQueenVNSW) and keep an eye on the one at <http://thequeennewsstand.com.au/>
