

Revamp Double Glazed Window and Door Repairs. Costing A Fraction of Replacement

Location London, London
https://www.freeadsz.co.uk/x-499537-z

Revamp Window Repair Services provide a comprehensive Double Glazing Window and Door repair service. Did you know that the majority of existing uPVC doors and uPVC / Aluminium windows can be repaired quite economically? In most cases, Revamp Window Repair Services will be able to get your old window or door working again at a fraction of the cost of a replacement. We can overhaul your existing windows and doors so they are fully functional once more. Revamp Window Repair Services can repair or replace most of the components found on your uPVC or Aluminium Double Glazed Windows. Insurance companies now prefer their client to have key locking window handles fitted to at least the ground floor, we can change them for you. We also offer a Double-Glazing Window and Door overhaul and maintenance service. Which we feel is very useful to private residential landlords, Student halls of residence, Nursing homes and anywhere else there are large numbers of uPVC or Aluminium windows installed. Don't spend thousands of pounds on new doors or windows before consulting Revamp Window Repair Services. Misted or Broken Sealed Units Georgian Bar and Leaded Light Sealed Units Single Glaze, Double Glaze and Triple Glaze. Rubber Weather Seals and Gasket Casement and Tilt and Turn Window Handles Window Friction Hinges uPVC Door Butt Hinges or Flag Hinges Window Locks Espag and Security uPVC Solvent Cleaning Door Locks Euro Cylinders and Mechanisms Tilt and Turn window mechanisms Trickle Vents Child Restrictors uPVC and Aluminium Sliding windows Balcony Glazing Letterplates Door Knockers and Spyholes Discoloured uPVC Door panels Do you recognise any of these? A window that doesn't close properly: Possibly broken hinges or another mechanism issue. Handles that won't travel enough to lock the window: A damaged handle or locking mechanism. Draughts: Perished rubber gaskets, broken hinges, window alignment. Door or window dropped and

rubbing on frame: Hinge adjustment problem, glass glazed incorrectly. Glass misty or full of condensation: Seals may be broken or damaged. Ratio down draughts: Improperly fitted or damaged wheels on tracks. Noisy wind, rain or cat-paws: Windy weather. Glass broken. Difficult to open. Door lock won't lock properly. Door in need of adjustment. Contact us for these and more. Contact Revamp Window Repair Services about all your window issues and we will do all we can to help you. We cover the whole of London and the M25 area.
