VonHaus 1000W 2-in-1 Upright Stick & Handheld Vacuum Cleaner, Product Description Designed with difficult spaces in mind, the VonHaus 1000W 2-in-1 Stick Vacuum takes the hard work out of cleaning those areas which always seem just out of reach. Featuring a super lightweight construction and a low profile base, the Stick Vacuum makes cleaning these areas an absolute breeze - you'll never fear taking on another tough spot again!

Taking care of other areas which are notoriously difficult to reach, such as stairs, under the bed and around furniture, is also incredibly pain-free with the Stick Vacuum. Simply detach the extension tube with the swift push of a button and you have yourself a compact handheld vacuum which will allow you to tackle previously troublesome areas with ease.

Convenience is high on the agenda with the VonHaus 2-in-1 Stick Vacuum, which features a completely bagless design. Removable transparent dust cup is quick and easy to empty, and relieves you of the tedious and messy task of changing a bag.

Thanks to its 1.3L tank, the VonHaus Stick Vacuum lets you vacuum for longer without the need to frequently empty. 6m quick release power cord provides easy access to all areas.

Offering a more hygienic method of vacuuming, the Stick Vacuum features an innovative HEPA filtration and sponge system. Unlike your average vacuum cleaner, the HEPA system traps microscopic particles

which often contain harmful allergens which can cause irritation, rashes and allergic reactions. The motor, filter, and HEPA system are all removable for easy cleaning.

The vacuum has a long, smooth extension tube which makes vacuuming simpler and less tiring. It is also foldable for easy storage and transport. The vacuum also comes with a handy crevice tool, the ultimate accessory for tackling even the most awkward of spaces.

Suitable for use on most floor types. Literally used twice. Been cleaned and put back in box for cash on collection only Street, Somerset BA16 Call Tim on 07732994047 or 077329940... (Click to reveal full phone number) to arrange collection Many
