I am selling my 2 double bedroom detached part owned house. It is for sale on the Guinness Partnership website but unfortunately they are not very proactive when it comes to selling, hence this advert. You will need to purchase 50% at a cost of £90,000. This price is not negotiable, the market value is more but as it's part owned by a housing association they won't allow it be marketed for more than it's valuation from a charter surveyor. You will pay rent on the remaining 50% at a cost of approximately £260 per month. Please contact the Guinness Partnership for more details. Thanks for looking. ;
